

**ILZDA-EduMet International Webinar on Galvanized Rebars, 23 Oct 2021, 11.30 – 13.30 hrs (Indian Time)**

Dear Members:

Warm Greetings!

As you know, distress in RCC by way of concrete cracking, spalling etc, is very common and this is preventable by using galvanized rebars in such constructions. On a life cycle cost basis, the use of galvanized bars is far more economical than using black rebars and incurring avoidable frequent repair and maintenance costs. Govt departments, construction companies, builders, civil engineers, architects etc., should appreciate this key advantage and use galvanized rebars in corrosive areas, coastal location, water - retaining structures, immersed columns, bridge decks, sea ports etc. In order to highlight the unique advantages of galvanized rebars, ILZDA is organising the above event, **cosponsored by Hindustan Zinc Ltd.** Programme is attached

**Speakers:**

Eminent International & Indian experts will be sharing their rich knowledge and experience. Global Guru on Galvanized Rebars, Dr. Stephen Yeomens, who also authored the most popular book on Galvanized Rebars will be delivering the **Keynote Address**. Speakers from the industry, ILZDA & IZA will also be speaking.

**Who will benefit:**

The technical deliberations will be very useful to engineers in Central & State Govt depts, builders, construction companies, civil engineers, architects, professional bodies, academia etc

**Cosponsorship:**

Progressive companies are welcome to cosponsor the webinar with a contribution of Rs.15000/-. As a cosponsor, they can nominate 6 participants and get wide publicity. Such companies are requested to confirm by return email alongwith their logo for publicity. ILZDA will in turn send bank details for remittance.

**Registration :**

**No fee for participation.** Kindly confirm registration by sending a) **name** b) **designation** c) **organisation & location** d) **email id** & e) **mobile number** as early as possible to [ilzda.info@gmail.com](mailto:ilzda.info@gmail.com).

Or register through the link given below:

[https://docs.google.com/forms/d/e/1FAIpQLSeiVif03FJ9uLMb-5yrhIN1vmOmpvKE3dcwFD0mkEnh2LRTA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSeiVif03FJ9uLMb-5yrhIN1vmOmpvKE3dcwFD0mkEnh2LRTA/viewform?usp=sf_link)

Thereafter, ILZDA will send a confirmation and nearer the date of the webinar, the exclusive link for participation will be sent to the participants.

**Questions:**

Organisations/participants are welcome to send 2 questions well in advance; the speakers will provide answers during their presentations.

Looking forward to your participation. Best Regards.
