Seminar on Galvanizing-Economic & Technical Advantages

India Lead Zinc Development Assn (ILZDA) & Nepal Association of Galvanizers (NAG) have pleasure in announcing the above seminar at Chitwan, Nepal for the benefit of galvanizers & their customers in Nepal & SAARC countries. There is an imperative need for such a technical-cum-promotional event in Nepal to create a better awareness on galvanizing & the inherent benefits.

Objective:

The presentations will focus on all technical aspects of hot dip galvanizing, technology, do's & don'ts for quality products, inspection & testing, markets, environment protection, energy management, recycling, etc., Well known experts from overseas, India, Nepal etc., will be making technical presentations at the seminar. The seminar will be useful to technical & marketing personnel in galvanizing plants, CEOs equipment suppliers, consultants, academic/ research institutions & customers of galvanizing industry, govt officials etc.,

Seminar Programme will be as follows:

28 th October 2018	Forenoon: Arrival at Kathmandu	Afternoon: Travel to Chitwan (Bus)
29 th October 2018	9.00-12.30:- Registration, Inaugural Session Seminar Session-1 & Lunch	14:00-16:30:- Galvanizing Plant Visit 19:00: – Welcome Dinner
30 th October 2018	09:00-12:30:- Seminar Session-2 12:30-13:30:- Lunch	14:00-18:30:- Seminar Session-3 19:00: – Gala Dinner
31 th October 2018	7.00:- Breakfast 8:00-12:00:- Jungle Safari	12:30-13:30:- Lunch 14:00:- Departure to Kathmandu (Bus)

- Tea/Coffee breaks in between, during the sessions
