

 Seminar on
RECENT DEVELOPMENTS IN
DIE CASTING TECHNOLOGY & MARKETS
*10 August 2026, Pride Premier, Pune**

TECHNICAL PROGRAMME (tentative)

- 08.30 hrs : Registration & Collection of Kits
- 10.00 hrs : **Inaugural Session**
- ❖ Welcome & Opening Remarks
L Pugazhenthly, Executive Director
Die Casting Society of India /India Lead Zinc Dev Assn
 - ❖ Presentation of
“ILZDA Appreciation Award”
 - ❖ Vote of Thanks
 - ❖ National Anthem
- 10.40 hrs : Coffee/Tea Break
- 11.00 hrs : **Technical Session 1**
- “World Zinc Die Casting Market & An Outlook for 2035”
by Dr Eng Didier Rollez, Consultant, International Zinc Association
- "Reducing Rejects with Cavity Pressure Measurements"
by Graham Wilson & Eric Buckley, HotFlo, Australia
- “A Systems Approach To High Integrity Die Castings – Focus On
Hot Chamber Process” by Sanjiv Verma, Associated Technocrats Pvt Ltd
- 12.15 hrs : “Future Potential for Die Casting – My Perspectives”
by L Pugazhenthly, Die Casting Society of India/ILZDA
- 13.00 hrs : LUNCH
- 14.00 hrs : **Technical Session 2**
- “Cost Optimization Thru Yield Improvement In Die Casting”
by Rajesh Aggarwal, Director, TechSense Engineering Services Pvt Ltd

"Beyond Simulation: Achieving Optimal Casting Design and Process Through Advanced Optimization"

by Sendil Kumar K, Vice President, Kaushiks International

"Probabilistic Property Modelling for Reliable Casting Design and Production Using MAGMASOFT®" by MAGMA Engineering Pvt Ltd

"Data to Decision – The Future of Die Casting Automation"

by Anurag Ambedkar, Sr Vice President, Tehacom India P Ltd

(A Presentation on Die Design by Dietech India (P) Ltd)

16.20 hrs : Die Casting Clinic

16.45 hrs : Wrap Up/Closing Remarks

High Tea (in the a'noon)
